

Lincoln-Way Area Chorale invites you to

Become a Patron

Fall, 2019

Become a part of our choir family!

The Lincoln-Way Area Chorale serves as an outlet to enhance musical opportunities for adults in the greater Lincoln Way area, complementing other wonderfully talented organizations, which support the Arts. The choral group, about a hundred strong, use their vocal talents through practice, preparation and performance.

The Patron Program enables Chorale boosters, friends and members of the community to contribute to the mission and efforts of the Chorale. LWAC operates as a non-profit, 501c corporation. Our primary sources of revenue are our very appreciated patrons, concert ticket sales and member registration fees. Our expenses include salaries for our Artistic Director and Accompanist, concert attire costs, purchasing and storing music, cost of rehearsal space, fees for guest artists and additional instrumental accompanists for our concerts, and all the costs involved in promoting and presenting these concerts. We also provide scholarships for Lincoln-Way students from all three community high schools who are going to college to study vocal music or choral music education.

Patrons at a certain level will also have benefits themselves, such as, complimentary concert tickets, as well as recognition both in program brochures, pre-concert multimedia presentation, and LWAC website. All donations from our Patrons will be used to help us provide an even higher level of entertainment for our audiences. After performing at Carnegie Hall in 2016, the LWAC would like even more opportunities to sing, and that's where you come in. We can't do it without the help and support of friends to our choir. See Patron level details below.

Become a part of our vision. Become part of the community impetus to support the arts.

"Giving is not just about making a donation. It is about making a difference"
